

---

**We're sharing the latest edition of the BioCelerate newsletter! Continue reading for updates on our initiatives and upcoming events.**

---

## **New Updates**

### **Common Template for Nonclinical Studies**

Version 1.0 of the Nonclinical Protocol Template for repeat dose toxicology studies (NCPT) is now available for voluntary adoption. Download the NCPT and supporting implementation materials [here](#).

### **Toxicology Data Sharing**

New manuscript alert! Check out Raja Mangipudy and William Houser's [recent paper](#) on the Toxicology Data Sharing Initiative titled, "Toxicology Data Sharing: Leveraging Data Sharing to Enable Better Decision Making in Research and Development."

## **Upcoming Events**

### **American College of Toxicology Conference (ACT)**

Planning to attend ACT from November 17-20 in Phoenix, Arizona? Visit our poster presentation on the Common Templates for Nonclinical Studies Initiative Poster P203: BioCelerate Protocol Harmonization Initiative. Join us from 5-6:30 PM MST on Monday, November 18 to meet the BioCelerate authors and team!

## **Stay up to Date!**

Don't forget to follow TransCelerate BioPharma Inc. on LinkedIn and Twitter to stay-up-to-date with all the TransCelerate and BioCelerate news. You can also contact us at [info@biocelerate.org](mailto:info@biocelerate.org).
